# DUA

**We only make dua to Allah. We should not make dua to anything or anyone else.**

**When we make dua, we thank Allah for everything he has given us.**

**We ask for what is good for ourselves, our families and all Mankind. May Allah make us better Muslims.**

**Allah listens to everyone's dua and answers them in this life or in the hereafter.**

**In our duas we remember all the Muslims who are suffering in the world.**

**If we do anything bad we must ask Allah to forgive us and never do it again. Allah is kind and forgiving.**
